

V-RECON SERIES

VS-70

High Resolution Day & Night Standard Box Camera

The Veilux VS-70 is a 700 TV line camera loaded with features. It is a Day/Night camera with a removable IR cut filter which provides excellent clarity in color during the day and an exceptional black and white picture at night. It features back light compensation, 3D DNR (Digital Noise Reduction), and WDR (Wide Dynamic Range). It will automatically clean up an interference or wash out caused by overly contrasting lights.
